

Qualification Requirements by Grant Types

QUALIFICATION	ANCHOR GRANT	DOMAIN GRANT	CATALYTIC GRANT
Outcomes and Scale of Impact	<p>Initiatives result in significant improvement in one or more of the gender-equitable outcomes in health, education, and economic system(s).</p> <p>The proposed initiative has a high potential for large-scale change and is poised to improve one million lives or more over a 5-to-6-year period.</p>	<p>Initiatives result in positive institutional change i.e., improvements or creation of policies, practices, cultures, and/or pathways and networks to increase women in leadership positions in critical and/or supporting institutions in Law or Economics.</p>	<p>Significant improvement in gender-equitable outcomes for initiatives in Pre-Anchor stage or positive institutional change outcomes for initiatives in Pre-Domain stage.</p>
Evidence (additional guidance available here)	<p>We require initiatives to provide an evaluation/assessment that shows the core approach/model/idea(s) at the center of the initiative works and achieves the intended people-level outcomes. We value evaluations that are relevant, rigorous, and of high quality, but do not require the use of any particular methodology.</p>	<p>No independent evaluation or assessment is required but sharing evidence makes a stronger case for the proposed initiative.</p>	<p>No independent evaluation or assessment is required but sharing evidence makes a stronger case for the proposed initiative.</p>
Track record	<p>The Lead Organization and/or consortium/coalition of organizations in the initiative have worked on the issue for at least 5 years.</p> <p>The proposed or very similar systems change initiative is already well underway (not a start-up or initial pilot), and in the past year has benefited at least 10,000 persons in a significant way.</p>	<p>The Lead Organization and/or consortium/coalition of organizations in the initiative have worked on the issue for at least 3 years.</p> <p>The proposed initiative is currently working on institutional change and has a partnership in place with one or more Critical or Supporting institutions in either the domain of Law or Economics.</p>	<p>The Lead Organization and/or consortium/coalition of organizations in the initiative have worked on the issue for at least 2 years.</p>
Organization Capacity	<p>We require audited financials for the most recent year available for the Lead Organization.</p> <p>The Lead Organization has significant capacity and track record to work at scale; the annual budget in the last financial year of the Lead Organization is at least US\$ 500,000 or equivalent.</p>	<p>We request audited financials for the most recent year available for the Lead Organization.</p>	<p>We request audited financials for the most recent year available for the Lead Organization.</p>
